Accommodations

Out-of-town participants are encouraged to stay at the Hotel St. Regis, located in the New Center area just north of campus, during their stay.

Participants who register before October 1, 2002, will be assured of the special institutional discount rate of \$85 per night for a single room and \$95 per night for a double room. Just indicate that you are attending the Labor History Conference when making your reservation to lock in this room rate. For reservations, contact:

Unfortunately, Wayne State University cannot guarantee the institutional rate for hotel reservations made after October 1, 2000. Standard rates at the Hotel St. Regis are \$109 for a single room and \$119 for a double room (rates subject to change). Hotel reservations made after October 1 are not secure and will depend upon availability.

Pursuant to a change in management at the Hotel St. Regis, the hotel will no longer be providing shuttles to the Wayne State campus. The front desk at the hotel and the concierge at the McGregor Center will be happy to provide you with assistance in securing a taxi.
